

Materials for 'wire drawing'.-11 oct 24

Any thin black pens eg fine points, roller ball, fibre tips from any stationer. They need to only create one width of stroke. Ie not create thick and thins. Bring a couple to experiment with. They are likely to be about 0.5 in width. You can also buy sets in varying sizes [trago, hobby craft etc,

Any smooth sketchbook or cartridge paper from small to a4 size and scissors for cutting down...and thats it!

From Around the house

Please also bring 3 or more smallish interesting objects that have **details** to draw, to add to mine. Ethnic items often work well.

Also one interesting container eg a tray, a detailed wooden box
